Subject: City Unity College preliminary review response - Bachelor's of Law LLB (Hons) Franchise Programme (Ref. No.: 07.14.164.009) London Metropolitan University

Dear Ms. Lavithi

In accordance with the provisions of Laws of 2015 to 2021 [L. 136 (I)/2015 - L. 132(I)/2021], we respond to all the information that the Cyprus Agency of Quality Assurance and Accreditation in Higher Education (CYQAA) has identified as deficient or missing in the preliminary review report dated Thursday, 30 November 2023.

Response to each point from the CYQAA Franchise LLB\_City Unity College\_Preliminary review attached.

#### **Point One**

The correct title of the programme is Bachelor's of Law LLB (Hons). We have made amendments to pages – Cover Page, 4, 8 and 17. Find attached pages.

#### **Point Two**

We have made the amendment on page 1 – point number 9 Expected number of students for each year (the institution must submit the exact number of students per semester) – checkbox ticked – find attached page.

#### **Point Three**

Pages 6, 7 and 8 site link has been corrected –

<https://www.legislation.gov.uk/uksi/2020/573/made> see attached pages

#### **Point Four**

The programme ranking 29 on the Guardian university Rankings site is correct. As this is the ranking of the programme of Law and not the overall University Ranking. See details further down.

Open link

<https://www.theguardian.com/education/ng-interactive/2023/sep/09/the-guardian-university-guide-2024-the-rankings>, in the search box, type the institutions name and you will see the rankings per programme offered by that University. Find attached visual.

#### **Point Five**

This had been discussed with London Metropolitan University during the Course Approval Panel Evaluation. After discussions with the panel and programme leaders London Metropolitan University suggested that we do not provide optional modules, only core modules. Please feel free to confirm with London Metropolitan University course leader.

#### **Point Six**

City Unity College has three full-time faculty members (shown in the ERGANI database – attached) who will teach, once approved, in the Bachelor's of Law LLB (Hons) programme. Please note that the programme, once approved by DIPAE, will run in October 2024. We have consent from the remaining faculty members that once the programme is approved we will proceed to offer a teaching position in the above mentioned programme of study. The current full time faculty members assigned to the programme are sufficient to teach the first semester of the programme upon commencing in October 2024. The college could decide to employ more faculty given the enrolment figures closer to the start of the academic year 2024-2025.

#### **Point Seven**

Attached we have included the current teaching periods per week of the full-time faculty members. Please note, once the Bachelor's of Law LLB (Hons) programme is approved the college will ensure that all accredited programme academic faculty will have an even distribution of their teaching workload.

We have always had our full-time and part-time academic faculty members (name and rank) uploaded onto our website, we have amended the current position to show they are faculty of City Unity College.

All short CV's as required by DIPAE have been prepared and are further attached.

**Point Eight**

All student services can be viewed in our Student Orientation Handbook attached.

**Point Nine**

Attached you will find the sample of the official degree of the above mentioned programme from the awarding institution - London Metropolitan University.

Should you require further clarifications please do not hesitate in contacting me directly.

Kind regards,

30 November 2023

To  
Director  
City Unity College

**SUBJECT: Preliminary review regarding the programme of study “*Bachelor’s of Law (LLB)*, which is going to be offered by the City Unity College Nicosia, via the franchise method, in collaboration with the London Metropolitan University, UK**

In accordance with the provisions of Laws of 2015 to 2021 [L. 136 (I)/2015 - L. 132(I)/2021], I have instructions to inform you in regards to the findings of the **preliminary review**, carried out by CYQAA, for the programs of study **Bachelor’s of Law (LLB) - (3 years, 180 ECTS, Bachelor degree)**, of the institution London Metropolitan University, UK which will be offered via the franchise method by your institution, City Unity College, Nicosia.

In your letter of reply, you should include, in accordance with the above-mentioned Law, all the information that the Agency has identified as deficient or missing in the preliminary review.

It is expected that your response will be structured, and you will reply with specific references to documentation (annexes and pages) in accordance to the Agency’s Law.

During the preliminary review we have observed the following:

1. The **programme's title** is incorrect (Cover Letter, cover page n.4, doc. 200.4). According to the London Metropolitan University's instructions, the correct title of the programme is the: **Bachelor's of Law LLB (Hons)**, (ANNEX 1).
2. On page 1 – INSTITUTION'S CHECK LIST "**In order for your request to be forwarded and properly examined, you must confirm that the following have been delivered at CYQAA's offices (check ✓ where applicable):**"  
On the checklist, point 9 was not completed although the information was submitted on page 245 of your application, under section 4. Admissions.
3. On pages 6 & 7 & 8 - The confirmation of the 'UK QAA recognition that London Metropolitan University has degree awarding powers' **web page cannot be found**.
4. On page 7 – The 'Programme Rankings: Number **29** on Guardian University Rankings' is incorrect, the correct programme ranking number is **85**, according to your documentation (<https://www.theguardian.com/education/ng-interactive/2023/sep/09/the-guardianuniversity-guide-2024-the-rankings>).
5. City Unity College does not offer the students any optional modules like the London Metropolitan University does, but only core modules are listed under "Module Specifications and Evaluation", page 61.
6. Your institution's full-time faculty number is low, according to the Guidelines of the Agency. At this point we also need to inform you that the CYQAA, during the '99th Council Summit', decided that institutions are required to additionally send the list of their academic staff to the **ERGANI database** and also submit **proof of social insurance payment** for **all** academic staff who teach in the programme.
7. Furthermore, in order for the Agency to assure that the quality of the programs of study is not compromised by any excess in the weekly teaching load of the academics, you need to submit the **total number** of teaching periods per week, for each academic/teacher and for each programme they are a part of, at City Unity College Nicosia. Additionally, **all** academics' profiles (name and rank) should be uploaded to your website, including part time staff, and their **CV's** should be updated so that their position at your College can be in view, under their current professional experience. In addition, from the requested Data, some of the Teaching Staff's **Short CV's** are missing (Doc. 500.01.03/500.01.04, TABLE A: TEACHING STAFF).

**8. Page 11 - Part (b) - Complete evidence for the academic facilities and services to be offered by the educational institute as well as those offered by the educational institute whose degree title will be awarded.**

In regards with the above point, in your documentation, you refer only to the building facilities which are offered by the collaborating institution. It is required to provide documentation on all facilities, i.e. **infrastructures and services for students** that are implemented and offered by your institution City Unity College Nicosia, in the same way as they are offered by London Metropolitan University (e.g. school offices that can help students' access to advice and guidance from staff, from financial issues to careers).

I remain at your disposal for any inquiries.
