This application is registered with the reference number: 07.14.810

In the framework of the competences conferred upon it by the relevant legislation, the Council of the Agency has constituted an External Evaluation Committee (EEC), consisting of three (3) academics, one expert in student welfare issues, one expert in matters of building and technological infrastructure, and one university student. The EEC after initially

examining the Institution's application for evaluation and accreditation, performed an on-site visit at the institution on 29 and 30 October 2024.

The EEC met with the head of the institution, the heads of the departments, the programmes' coordinators, members of the academic staff, and members of the administrative staff, students and/or their representatives and the Internal Quality Assurance Committee.

Additionally, it reviewed the Institution's facilities (library, computer rooms, laboratories, classrooms, research infrastructure, etc.), the institution's academic profile and orientation, quality assurance system and strategy, administrative structures, curriculum planning processes and the organization of teaching, the suitability of the academic and teaching staff and the research support mechanisms as well as various other documents presented to it and/or requested by the ECC.

The EEC has documented its findings and recommendations and drew up the External Evaluation Report in the Doc. 300.2.1.

CYQAA Council's Decision

The Council of the Cyprus Agency of Quality Assurance and Accreditation of Higher Education, during its 116 Summit on 24 February 2025, on the basis of Article (20)(2)(f)(i) of the "Quality Assurance and Accreditation in Higher Education and the Establishment and Operation of an Agency on Related Matters Laws" of 2015 to 2021 [L. 136 (I)/2015 - L. 132(I)/2021], and on the basis of the suggestions of the External Evaluation Committee, the comments of the institution on the External Evaluation Committee report and the Feedback report from the External Evaluation Committee, **decided that the Institution is accredited as: School of Medicine of the Private Institution of Higher Education, European University Cyprus**

The current accreditation begins in the Fall semester of the academic year 2025 –2026 and ceases to be in effect at the end of the Spring semester of the academic year 2029– 2030

On the basis of Article (4) (c) of the relevant Law, it is noted that "the above accreditation is valid for the period provided by the provisions of the Law and is repeated every five (5) years and that the procedure starts at the request of the institution which must, and shall be submitted at least sixteen (16) months before the expiry of the previous accreditation".

Additionally, on the basis of Article (17)(3)(g) during the period of validity of the Accreditation, the Agency acting of its own motion, may examine whether the criteria continue to be met and if they are not met, then the Agency shall revoke the Accreditation, and immediately inform the institution concerned.
