NUM.	RECOMMENDATIONS	ACTIONS TAKEN BY THE INTITUTION	COMPLIANT / PARTIALLY COMPLIANT / NON-COMPLIANT
1.	The institution should hire academic personnel with relevant research output.	The institution has allocated more courses to faculty members who are PhD holders. In addition, two new faculty members with PhD have been hired part time (attachment 1 & 2). The institution now has 5 faculty members holding a PhD. Refer to attachment 5 for the research output of the faculty members. Only two out of sixteen courses are offered by a faculty member who is now in the final stage of her PhD studies. (attachment 3 and 4).	COMPLIANT
2.	Reinforcement of the available academic textbooks. This concerns the available books, databases and articles of the library but also the textbooks used in the various courses and listed in the relevant diagrams.	The institution has acquired 21 new books relevant to the program (attachment 6). In addition, 17 new books have been ordered (attachment 7 & 8). The institution has subscribed to the EBSCO database.	COMPLIANT

The present document adheres to the European Standards and Guidelines, in particular Standard 2.3 (Implementing Processes) and its guidelines, which provide that “Agencies have a consistent follow-up process for considering the action taken by the institution”.
