**IN ENGLISH:**

**Computer Science (4 academic years, 240 ECTS, Bachelor (BSc))**

This application is registered with the reference number: 07.14.318.047

In the framework of competences conferred on it by the relevant legislation, the Council of the Agency has constituted an External Evaluation Committee (EEC), which after initially examining the institution's application for programme evaluation and accreditation, performed a remote visit at the institution on 14<sup>th</sup> of May 2021.

The EEC met remotely with the head of the institution, the head of the relevant department, the programme's coordinator, members of the academic staff, members of the administrative staff, students and/or their representatives and the Internal Quality Assurance Committee.

Additionally, the EEC remotely examined the institution's facilities (library, computer labs, labs, teaching classes, research infrastructures, etc.), various documents presented and/or requested by the EEC, the School's/Faculty's structure and the programme's position in it, the CVs of the teaching staff and their relationship to the institution as teachers in regard to any other duties and teaching in other programmes of study.

The EEC has documented its findings and recommendations and drew up the External Evaluation Report in the Doc. 300.1.1.

### **CYQAA Council's Decision**

The Council of the Cyprus Agency of Quality Assurance and Accreditation of Higher Education, during its 71<sup>st</sup> Summit on 13<sup>th</sup> of September 2021, on the basis of Article (20)(2)(f)(i) of the "Quality Assurance and Accreditation in Higher Education and the Establishment and Operation of an Agency on Related Matters Laws" 2015 to (Num. 3) of 2020 [N.136 (I)/2015 to N.208 (I)/2020], and on the basis of the suggestions of the External Evaluation Committee and the comments of the institution on the External Evaluation Committee report, **decided that the programme is accredited to be delivered in English.**

**The Agency requires the Institution to provide evidence of compliance with the following remarks, no later than the submission of the application for re-evaluation:**

- 1. Develop processes that actively engage students in the feedback mechanisms for internal quality assurance.**
- 2. Develop a systematic central support menu with regards to staff induction, mentoring and further development including the implementation of teaching staff peer observation procedure.**
- 3. Utilise findings from students' feedback questionnaires to evaluate and improve the quality of teaching.**
- 4. Establish periodic review of the programme to enhance vision and strategic direction towards current thematic areas.**

The current accreditation begins in the **Fall** semester of the academic year **2021-2022** and ceases to be in effect at the end of the **Spring** semester of the academic year **2025-2026**.

On the basis of Article (4) of the relevant Legislation, it is noted that “the above accreditation is valid for the period provided by the provisions of the Law and is repeated every five (5) years and that the procedure starts at the request of the institution which must, and shall be submitted at least sixteen (16) months before the expiry of the previous accreditation”.

Additionally, on the basis of Article (17)(3)(g) during the period of validity of the Accreditation, the Agency acting of its own motion, may examine whether the criteria continue to be met and if they are not met, then the Agency shall revoke the Accreditation, and immediately inform the institution concerned.
