In the framework of competences conferred on it by the relevant legislation, the Council of the Agency has constituted an External Evaluation Committee (EEC), which after initially examining the institution's application for programme evaluation and accreditation, performed an on-site visit at the institution on 18th May 2023.

The EEC met with the head of the institution, the head of the relevant department, the programme's coordinator, members of the academic staff, members of the administrative staff, students and/or their representatives and the Internal Quality Assurance Committee.

Additionally, the EEC examined the institution's facilities (library, computer labs, labs, teaching classes, research infrastructures, etc.), various documents presented and/or requested by the EEC, the School's/Faculty's structure and the programme's position in it, the CVs of the teaching staff and their relationship to the institution as teachers in regard to any other duties and teaching.

The EEC has documented its findings and recommendations and drew up the External Evaluation Report in the Doc. 300.1.1.

CYQAA Council's Decision

The Council of the Cyprus Agency of Quality Assurance and Accreditation of Higher Education, during its **96th** Summit on **10th July 2023**, according to the Article (20)(2)(f)(i) of the "Quality Assurance and Accreditation in Higher Education and the Establishment and Operation of an Agency on Related Matters Laws" of 2015 to 2021 [L. 136 (I)/2015 - L. 132(I)/2021], and on the basis of the suggestions of the External Evaluation Committee, and the comments of the institution on the External Evaluation Committee report and the Feedback report from the External Evaluation Committee, **decided that the programme is accredited to be delivered in English.**

The Agency informs the institution, to comply with the following:

- **Form a research strategy to allow the teaching staff to grow research confidence and support the long-term vision of the Department in order to lead to more publications and grant submissions in the future and allow the department to develop reputation in chosen area of specialism.**

- **Encourage the development of a strategy for even more pronounced scientific interaction on the international level also evident in future recruitment. Important aspects in this regard are the scientific environment, physical resources, access to support staff as well as internationally competitive salaries**
- **Appoint permanent laboratory technicians to help support lab set up, athlete testing, and supervise student lab projects.**

The current accreditation begins in the **Fall** semester of the academic year **2023 – 2024** and ceases to be in effect at the end of the **Spring** semester of the academic year **2027 – 2028**.

On the basis of (4)(c) of the relevant Law, it is noted that “the above accreditation is valid for the period provided by the provisions of the Law and is repeated every five (5) years and that the procedure starts at the request of the institution, which must, and shall be submitted at least sixteen (16) months before the expiry of the previous accreditation”.

Additionally, on the basis of Article (17)(3)(g) during the period of validity of the Accreditation, the Agency acting of its own motion, may examine whether the criteria continue to be met and if they are not met, then the Agency shall revoke the Accreditation, and immediately inform the institution concerned.
