**** Quality control: Students must find a research supervisor during the Fall semester of Year 1. By the end of this semester (last day of classes) students must submit the name of their research supervisor and their research topic to the Coordinator of the program. A student will not be allowed to register for PSY750: Master Thesis I in the Spring Semester of Year 1 if they haven't found a supervisor. This requirement will be given to students in written on the Induction Day.

***** ADDITIONAL TO 180 ECTS
