*Students may enroll in courses offered in any of the other bachelor's programmes (excluding lab courses) with equivalent ECTS.

** The clinical training duration is determined by the registration laws of the country in which the program is offered.

E.g. For the Main Campus a minimum of 1000 hours are required as per Cyprus law See - [Ο περί Εγγραφής Φυσιοθεραπευτών \(Τροποποιητικός\) Νόμος του 2021 \(Ν. 52\(Ι\)/2021\) Ε.Ε., Παρ.Ι\(Ι\), Αρ.4829, 14/4/2021](#)

For the Frankfurt Branch a total of 1140 hours are required to accumulate to the total 1600 clinical hours needed for registration in Germany. That is (3 x 154= 462 hours for clinical practice I,II & III) + 1140 hours from Clinical Training = 1602 hours total. See –

Ausbildungs - und Prüfungsverordnung für Physiotherapeuten vom 6. Dezember 1994 (BGBl. I S. 3786), die zuletzt durch Artikel 10 der Verordnung vom 7. Juni 2023 (BGBl. 2023 I Nr. 148) geändert worden ist
