B. Guidelines on content and structure of the Follow-up Report

- *CYQAA has a consistent follow-up process for considering the action taken by the institution toward the improvement and further development of the CYQAA externally evaluated and accredited institution / department / programme of study. The present Follow-up Report should recount, synoptically, institutional action taken toward the implementation of the remarks indicated in the CYQAA Final Report.*

- *The Follow-up report should provide evidence ~~(~~via website links~~)~~ and appendices at the end of the report on how the remarks of the Council of CYQAA have been adhered to.*

- *The remarks indicated in the CYQAA Final Report should be copied from the corresponding report and be followed by the institution's response.*

- *The institution may add any other institutional action taken towards the implementation of ESG aiming at the improvement of the institution / department / programme of study.*

1. Remarks on the CYQAA Final Report

Expand the electronic library collections to adequately support the needs of the programme. Relevant evidence of compliance must be submitted to the Agency by the end of the Fall Semester 2026-27.

2. Institution's Response

Following your recommendation, we have expanded the electronic library collections to adequately support the needs of the programme. Please see below:
